BRAND AND PRODUCTS

ABB

ELECTRIC MOTORS

- High performance electric motors

Bonfiglioli
Forever Forward

ELECTRONIC CONTROLS

- Inverters

ELECTRIC MOTORS

- A.c motors
- Brake motors
- D.c permanent magnet servo-motors

GEARBOXES

- Worm gearboxes
- Helical in line, helical bevel, shaft mounted, parallel shafts gearboxes
- Right angle spiral bevel gearboxes
- Mechanical speed variators
- Planetary gearboxes
- Precision planetary modular gearboxes

BOTECO
IMPUGNATURE DI MANOVRA

MACHINE COMPONENTS

- Handles
- Handle-wheels
- Clamp levers
- Locking systems
- Wingnuts & tie-rod
- Knobs
- Flat hinge
- Feet

brevetti stendato

MACHINE COMPONENTS

- Cable chains

cemp
Flameproof Motors

MACHINE COMPONENTS

- Explosion-proof motors for dangerous areas

CHIARAVALLI GROUP SpA

MECHANICAL TRANSMISSION

- Sprockets
- Plate wheels
- Spur hears
- Spur racks
- Bevel gears
- Belts and pulleys
- Couplings
- Shaft clamping elements
- Torque limiters

C.T.S.
MADE IN ITALY SINCE 1977

LINEAR SYSTEM

- Free wheels
- Linear guides

EUROFIT

PNEUMATIC COMPONENTS

- Fittings
- Restriction valves
- Valves, ball valves, manual valves, pneumatic valves
- Push-in fittings
- Pipes

CONVEYOR COMPONENTS
- Roller conveyor

BEARINGS
- Deep groove ball bearings
- Tapered roller bearings

VIBRATORS FOR THE INDUSTRY
- Electric vibrators
- Micro series electric vibrators

ACTUATORS
- Electric linear actuators
- Electromechanical servoactuators

SELF ALIGNING PILLOW BLOCKS
- Cast-iron self aligning pillow-blocks

MECHANICAL TRANSMISSIONS
- Cardanic joints
- Extendable joints

BRAND AND PRODUCTS

COMPONENTS
- Levelling feet
- Antivibration feet

STAINLESS STEEL COMPONENTS
- Stainless steel self aligning pillow-blocks
- Stainless steel deep groove ball bearings
- Stainless steel needle roller bearings
- Stainless steel special bearings
- Stainless steel chains
- Stainless steel rod ends

BEARINGS
- Needle roller bearings
- Stainless steel deep groove ball bearings
- Deep groove ball bearings
- Special bearings made to drawing
- Slewing bearings

ELECTRIC MOTORS
- A.c motors
- Torque limiter

LINEAR SYSTEMS
- Ball bushings

SELF ALIGNING PILLOW BLOCKS
- Stainless steel self aligning pillow-blocks
- Pressed steel self aligning pillow-blocks
- Cast-aluminium self aligning pillow-blocks
- Special pillow-blocks

BRAND AND PRODUCTS

MEGADYNE

HI-TECH BELTS AND PULLEYS

- Rubber belts
- Polyurethane belts
- Timing belts
- Pulleys

Mercotac

MACHINE COMPONENTS

- Mercury rotating collectors

M.G.M. Motori Elettrici S.p.A.

ELECTRIC MOTORS

- Brake motors

mini motor MECHATRONIC SOLUTIONS

ELECTRIC MOTORS

- Brushless servo-motors and drives
- Brushless motors with integrated drive

GEARBOXES

- Worm gearboxes and motorgearboxes
- Helical in line and helical bevel gearboxes and motorgearboxes
- Planetary gearboxes of small dimensions

MOTORGEARBOX

- Motorgearbox with fractional powers for industrial application

Movex

CONVEYOR COMPONENTS

- Levelling pads
- Conveyor components
- Plastic self aligning-pillow blocks
- Transport and modular chains

STAINLESS STEEL COMPONENTS

- Stainless steel levelling pads
- Stainless steel conveyor components
- Plastic self aligning-pillow blocks stainless steel
- Transport and modular chains

SELF ALIGNING PILLOW BLOCKS

- Plastic self aligning-pillow blocks

OKARROLL

CONVEYOR COMPONENTS

- Multidirectional rollers

PETER electronic

ELECTRONIC CONTROLS

- Electronic braking systems
- Soft/start
- Inverters

PMI

LINEAR SYSTEMS

- Ball linear systems
- Roller linear systems
- Microguides
- Mono stage units
- Ball screws

BRAND AND PRODUCTS

POGGI

MECHANICAL TRANSMISSION

- Timing belts and pulleys
- V-belts and pulleys
- Sprockets with taper bush
- Taper bushes
- Cone clampings
- Couplings

MACHINE COMPONENTS

- Sliding baseplates for electric motors

STAINLESS STEEL COMPONENTS

- Right angle stainless steel gearboxes

GEARBOXES

- Right angle spiral bevel gearboxes
- Motion reversing gearboxes

RegalRexnord

CONVEYOR COMPONENTS

- Levelling pads
- Conveyor components
- Plastic self aligning-pillow blocks
- Transport and modular chains
- Structural components and safety systems

STAINLESS STEEL COMPONENTS

- Stainless steel levelling pads
- Stainless steel conveyor components
- Plastic self aligning-pillow blocks stainless steel
- Transport and modular chains

SELF ALIGNING PILLOW BLOCKS

- Plastic self aligning-pillow blocks

REGINA CHAIN

PERFORMANCE IN MOTION

STAINLESS STEEL COMPONENTS

- Stainless steel transmission chains
- Stainless steel conveyor chains

CONVEYOR COMPONENTS

- Conveyor chains
- Flite-top chains
- Modular conveyor belts and chains

MECHANICAL TRANSMISSIONS

- Transmission chains
- Special attachments chains
- Fleyer chains

ROSTA

VIBRATION

- Rubber suspension units
- Tensioner devices
- Oscillating mountings
- Motor bases

Röchling

CONVEYOR COMPONENTS

Hi-Tech plastic material for industry

- High quality semifinished materials
- Polyethylene chain guide rails
- Polyethylene and semifinished materials
- Plastic materials engineering
- Specially made items

Schneider Electric

ELCTRONIC CONTROLS

- Inverters
- Soft/START
- PLC
